I am writing to provide a brief report on the peer tutoring session held on March 7, 2024, focusing on the topic "Scope of Educational Sociology and relation between education and Sociology." The session aimed to foster collaborative learning and support for our minor students.

The event was conducted successfully, with peer tutors guiding their fellow students through the intricacies of the educational sociology scope. The participants actively engaged in discussions, clarified doubts, and gained a deeper understanding of the subject matter.

**Key Details:**

- Date: March 7, 2024
- Time: 11.30 AM

**Observations:**

1. Peer tutors (the students of the same class) demonstrated excellent knowledge and communication skills.
2. Students actively participated, asking questions and seeking clarification.
3. The session created a positive and collaborative learning atmosphere.

**Feedback:**

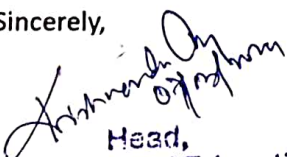

Feedback from both peer tutors and participants has been overwhelmingly positive. Students expressed gratitude for the opportunity to learn from their peers, and tutors found the experience rewarding.
